Bid / Quotation Waiver

In some instances, it is recognised it may not be possible to observe the requirements of competitive quotations or tendering as is stipulated in the FIs, and in which case a **Bid Waiver Form** must be completed. This is prepared by the Division / Section making the purchase, and must be approved by the authority that would approve a purchase of that value (e.g. GTB for Bid Waivers on purchases over \$1,000,000). The waiver will only be granted in circumstances where observing the normal requirements would result in detriment to the people or assets of the Solomon Islands, or where no benefit would be obtained by observing the requirements.

Example where are waiver would be granted include but would be limited to the below.

- In a declared emergency (e.g. SI at War, Emergency, Natural Disaster)
- There is a genuine market limitation on the number of suppliers.
- Equipment is specialized or technical in nature.

SUBJECT: BID WAIVER – LAWSON TAMA UPGRADE PROJECT

Discussed the matter with Queenie of PMU.

2. Have also discussed that in future, minute(s) accompanying requests should be channeled through the ED/NHA before the Chairman/NHA final approval. That will be done only when ED approves of request whether it be Bid Waiver or other normal requisitions.
3. The request for Lawson Tama did not have the ED as the Accounting Officer before the Chair finally blessed it.
4. I am of the view that this could have been the norm previously before the LT Project as it is now. If that is so, and you consider it proper, the Bid Waiver requires your signature.

Thank you.
