FC. check with the GHO who did the event. Of all the media group that attended I think this is the group that had the camera on ED. I could not recommend coz this has to be prior approve by HP ED.

Tai.

Reborn - on top of a live ad broadcasted the event live full time. I can't approved but I agree with you there is not evidence to run it is new.

Bid / Quotation Waiver

In some instances it is recognised it may not be possible to observe the requirements of competitive quotations or tendering as is stipulated in the FIs, and in which case a Bid Waiver Form must be completed. This is prepared by the Division / Section making the purchase, and approved by the Ministry Permanent Secretary. The waiver will only be granted in circumstances where observing the normal requirements would result in detriment to the people or assets of the Solomon Islands, or where no benefit would be obtained by observing the requirements. Example where are waiver would be granted include but would be limited to the below;

- In a declared emergency (eg. SI at War, Emergency, Natural Disaster)
- There is a genuine market limitation on the number of suppliers
- Equipment is specialized or technical in nature

Description of Product / Service

Live Streaming of the PM and Cabinet visit to all Sol2023 sites and SINIS handover ceremony on the SOL2023 fb page.

REASON FOR REQUEST (Please Tick)

Genuine Market Limitation	<input type="checkbox"/>	Natural Disaster	<input type="checkbox"/>	SI at War	<input type="checkbox"/>
Public Emergency	<input type="checkbox"/>	Technical or Specialized Equipment	<input checked="" type="checkbox"/>		

Please summarise the reason for the request (you may attach further support if necessary)

This was a specialized live stream that had to follow the PM delegation to all the Sol2023 sites, as opposed to a normal live stream that is only at a single location. It is for this reason that **1Tok Logistics** was requested to perform this live stream service.
