ADDENDUM TO THE CONTRACT

THIS ADDENDUM TO THE CONTRACT ("Contract") is entered into between **NATIONAL HOSTING AUTHORITY, (NHA)** ("the Purchaser") having its principal place of business at OLD SEA KING BUILDING, POINT CRUZ, HONIARA, and **Honiara Hardware Supplies Ltd** ("the Supplier").

The Parties entered into the Contract Agreement for the **SUPPLY OF ELECTRICAL (LOT 7) MATERIALS TO ALL SCHOOLS FOR GAMES VILLAGES -PACIFIC GAMES 2023-Schools** had on this date agreed to changes and amendment of the contract terms and conditions. The clauses referred herein shall repeal or include and shall form part of the final Contract.

All expressions and terms defined or used in the original Contract Agreement shall have the same meaning in this Addendum unless the context clearly requires otherwise.

1.0: AMENDMENT OF THE CONTRACT AGREEMENT IS AGREED AS FOLLOWS:

The amendment to the original contract terms and conditions shall supersede the referenced clauses of the contract as mentioned below and effectively enforced herewith.

1. **AMENDMENT 1: SETION IV: PAYMENT SCHEDULE** - The Payment Schedule has been amended as follows:

SECTION IV: PAYMENT SCHEDULE

This payment schedule is part of contract and is crucial part of which contractor shall be remunerated. This schedule is referred to the Contractors performance and claims. Upon inconsistencies of work schedule and claims, this schedule supersedes contractors work schedule where it shall be revised to compromise with this schedule.

SECTION II: GENERAL CONDITIONS OF CONTRACT

1 Definitions

1.1 In this contract, the following terms shall be interpreted as indicated:

a. The "Contract" means the agreement entered between the Purchaser and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

b. The "Contract Price" means the price payable to the Supplier under the contract for the full and proper performance of its contractual obligation.

c. The "Goods" means equipment, machinery, related Accessories, spare-parts and/or other materials which the Supplier is required to supply to the Purchaser under the contract.

d. The "Services" means services ancillary to the supply of the goods such as transportation and insurance and any other incidental services, such as installation, commissioning, the operational and maintenance training of the supplied equipment and other such obligations of the supplier covered under the Contract.

e. The "Purchaser" means the Procurement Entity of the Republic of Solomon Islands purchasing the goods.

f. The "Supplier" means the individual or organization supplying the goods and services under this contract.

g. The "Purchaser's Country" is The Solomon Islands.

h. The "Delivery Site" where applicable, means the place or places where supply of goods to deliver and performance of services to be complete.

i. "Day" means calendar day.

j. "Public funds" include:

(a) all revenues or other moneys raised or received for the purposes of the Government.

(b) any other moneys or funds held, whether temporarily or otherwise, by a public officer in his official capacity either alone or jointly with any other person whether a public officer or not.

2 Application

2.1 These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the contract.

3 Country of Origin

3.1 All goods and services supplied under the contract shall have their origin in the Solomon Islands or in eligible countries as specified in Special Condition of Contract.

3.2 For purposes of this clause "origin" means the place where the goods are mined, grown, produced or manufactured, or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.

3.3 The origin of Goods and Services is distinct from the nationality of the Supplier.

4 Standards

4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications, and, when no applicable standard is mentioned, to the authoritative standards appropriate to the goods' country of origin, such standards shall be the latest issued by the concerned institution.

4.2 Wherever reference is made in the Technical Specifications to specific standards and codes to be met by the goods and materials to be furnished or tested, the provisions of the latest current edition or revision of the relevant shall apply, unless otherwise expressly stated in the Contract. Where such standards and codes are national or relate to a particular country or region, other authoritative standards that ensure substantial equivalence to the standards and codes specified will be acceptable.

5 Use of Contract Documents and Information

5.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in sub-clause 5.1 except for purposes of performing the Contract.

5.3 Any document, other than the Contract itself, enumerated in subclause 5.1 shall remain the property of the Purchaser and shall be returned (all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

6 Patent Rights

6.1 The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the Purchaser's country.

7 Performance Security

7.1 Within fourteen (14) days after the Supplier's receipt of notification of award of the contract, the successful Bidder shall furnish performance security to the Purchaser in the amount specified in the Special Conditions of Contract and in the form specified in Section 7.

7.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

7.3 The performance security shall be denominated in the currency of the contract or in a freely convertible currency acceptable to the Purchaser and shall be in the form of an unconditional bank guarantee issued by a bank in the Solomon Islands acceptable to the Purchaser and in the form provided in the Tender Documents or another form acceptable to the Purchaser.

7.4 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 28 days after expiring of one year of warranty period following the date of issue of certificate of final acceptance of equipment after installation and commissioning of equipment at the destination.

8 Inspections and Tests

8.1 The Purchaser or its Representative shall, at no extra cost, have the right to inspect and/or to test the goods to confirm their conformity to the Contract. The Special Conditions of Contract and/or the Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing of the identity of any representatives retained for these purposes within 21 days after award of the Contract.

8.2 The inspections and tests may be conducted on the premises of the Supplier or its sub-Supplier(s), at point of delivery, and/or at the goods' destination. If conducted on the premises of the Supplier or its sub-Suppliers(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser.

8.3 Should any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject the Goods, and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.

8.4 The Purchaser's right to inspect, test and, where necessary, reject the goods after the goods' arrival in the Purchaser's country shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by the Purchaser or its Representative prior to the goods' shipment from the country of origin.

8.5 Nothing in GCC Clause 8 shall in any way release the Supplier from any warranty or other obligations under this Contract.

8.6 A Certificate of Acceptance shall be issued by the Purchaser after necessary inspection and tests of the Goods supplied as specified in SCC.

9 Packing

9.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, as Specified in the Special Conditions of Contract (SCC), and in any subsequent instructions issued by the Purchaser.

10 Delivery and Transfer of Risk

10.1 Delivery of the goods shall be made by the Supplier in accordance with the terms specified by the Purchaser in its Schedule of Requirements. The details of shipping and/or other documents to be furnished by the supplier are specified in the Special Conditions of Contract.

10.2 For purposes of the Contract, "FOB," "C&F," "CIF", "CIP", "EXW" and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of the International Rules for the Interpretation of the Trade Terms (INCOTERMS) published by the International Chamber of Commerce (ICC), Paris.

10.3 Documents to be submitted by the Supplier are specified in Special Condition of Contract.

11 Insurance

11.1 The goods supplied under the Contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the Special Conditions of Contract. Such insurance shall be arranged and paid for by the supplier.

11.2 Where delivery of the goods is required by the Purchaser on a CIF, CIP basis, the Supplier shall arrange and pay for marine insurance, naming the Purchaser as the beneficiary. Where delivery is on an FOB or C&F basis, marine insurance shall be the responsibility of the Purchaser.

12 Transportation

12.1 Where the Supplier is required under the Contract to deliver the goods FOB, transport of the goods, up to and including the point of putting the goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

12.2 Where the Supplier is required under the Contract to deliver the goods C&F, CIP or CIF or to a specified destination within the Solomon Islands, transport of the goods to the port of discharge or such other point in the country of destination including insurance and storage, as shall be

specified in the Contract shall be arranged and paid for by the Supplier, and the related cost thereof shall be included in the Contract Price.

12.3 Where the Supplier is required to effect delivery under any other terms, the Supplier shall be required to meet all transport and storage expenses until delivery.

12.4 In all of the above cases, transportation of the goods after delivery shall be the responsibility of the Purchaser.

12.5 Where the Supplier is required under the Contract to deliver the goods CIF or CIP or C&F, no further restriction shall be placed on the choice of the ocean carrier. Where the Supplier is required under the Contract (i) to deliver the goods FOB, and (ii) to arrange on behalf and at the expense of the Purchaser for ocean transportation on specified conference vessels or on national flag carriers of the Purchaser's country, the Supplier may arrange for such transportation on alternative carriers if the specified conference vessels or national flag carriers are not available to transport the goods within the time period(s) specified in the Contract.

13 Incidental Services

13.1 The Supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- a. Performance or supervision of on-site delivery of the supplied Goods.
- b. Furnishing of tools required for assembly and/or maintenance of the supplied Goods;
- c. furnishing of a detailed operations and maintenance manual for each, appropriate unit of the supplied Goods.
- d. Performance or supervision or maintenance and/or repair of the supplied Goods, for a period agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
- e. Training of the Purchaser's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods.

14 Warranty

14.1 The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or materials is required by the Purchaser's specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of destination.

14.2 The warranty shall remain valid for (12) months after the goods, or any portion thereof as the case may be, have been delivered to the destination indicated in the Contract and installed and commissioned to the satisfaction of the Purchaser.

14.3 The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty.

14.4 Upon receipt of such notice, the Supplier shall, within the period as specified in SCC and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser other than, where applicable, the cost of inland delivery of the repaired or replaced Goods or parts from EXW or to the destination.

14.5 If the Supplier, having been notified, fails to take remedial action within forty-two (42) days from date of receipt of notice, the Purchaser may proceed to take such action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

15 Payment

15.1 The method and conditions of payment to be made to the Supplier under the Contract shall be specified in the Special Conditions of Contract.

15.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and Services performed, and by documents submitted pursuant to GCC Clause 10, and upon fulfilment of other obligations stipulated in the Contract.

15.3 Payments shall be made promptly by the Purchaser, but in no case later than twenty-eight (28) days after submission of an invoice or claim by the Supplier.

16 Prices

16.1 Prices charged by the Supplier for goods and services delivered and services performed under the Contract shall not vary from the prices quoted by the Supplier in its Tender, except for any price adjustments Authorised in Special Conditions of Contract or in the Purchaser's request for Tender validity extension. Total value of the contract may change if there is a change in quantities quoted by the Supplier.

17 Change Orders

17.1 The Purchaser may at any time, by a written order given to the Supplier pursuant to GCC Clause 31, make changes within the general scope of the Contract in any one or more of the following:

- a. drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser.
- b. There is a change of materials supply quantities.
- c. the method of shipment or packing.
- d. the place of delivery; and/or
- e. the Services to be provided by the Supplier.

17.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment may be

made in the Contract Price or delivery schedule, or both, and the Contract may accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within twenty-eight (28) days from the date of the Supplier's receipt of the Purchaser's change order.

18 Contract Amendments

18.1 Subject to GCC Clause 18, no variation in or modification of the terms of the Contract shall be made, except by written amendment signed by the parties.

19 Assignment

19.1 The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

20 Subcontracts

20.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the Tender. Such notification, in the original Tender or later, shall not relieve the Supplier from any liability or obligation under the Contract.

20.2 Subcontracts must comply with the provisions of GCC Clause 3.

21 Delays in the Supplier's Performance

21.1 Delivery of the goods and performance of services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser in the Schedule of Requirements.

21.2 Except as provided under GCC clause 25, an unexcused delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to any or all of the following sanctions: forfeiture of its performance security, imposition of liquidated damages, and/or termination of the Contract for default.

21.3 If at any time during performance of the Contract, the Supplier or its sub-supplier(s) should encounter conditions impeding timely delivery of the goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance, with or without liquidated damages, in which case, the extension shall be ratified by the parties by amendment of the Contract.

22 Liquidated Damages

22.1 Subject to GCC Clause 25, if the Supplier fails to deliver any or all of the goods or to perform within the time period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to (0.1%) of the contract price of the delayed goods for each day of delay until actual delivery, up to a maximum deduction of (10%) percent of the delayed goods Contract Price. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 24.

23 Termination for Default

23.1 The Purchaser may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate the Contract in whole or in part:

- a. if the Supplier fails to deliver any or all the goods within the time period(s) specified in the Contract, or any extension thereof granted by the Purchaser pursuant to GCC Clause 22; or
- b. if the Supplier fails to perform any other obligation(s) under the Contract.

23.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC para. 24.1 and 24.3 below, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, goods or services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar goods or services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

23.3 *Termination for Corrupt or Fraudulent Practices*

The Purchaser may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate the Contract in whole or in part if the Supplier, in the judgement of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

For the purpose of this clause:

“corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
“fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract, and includes collusive practice among Tenders (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive the benefits of free and open competition;

24 Force Majeure

24.1 For purposes of this Contract, “Force Majeure” means an event beyond the control of the parties to the Contract and not involving either party’s fault or negligence and not foreseeable.

24.2 If, at any time during the existence of the Contract, either party is unable to perform in whole or part any obligation under this Contract because of such events which include, but are not restricted to, acts of God, acts of Government in its sovereign capacity, war, revolutions, hostility, civil commotions, strikes, fires, floods, epidemics, quarantine restrictions, freight embargoes, explosions, then the date of fulfilment of Contract shall be postponed during the period when such circumstances are operative.

24.3 The party which is unable to perform its obligations under the present Contract shall, within fourteen (14) days of occurrence of the Force Majeure event, inform the other party with suitable

documentary evidence. Non-availability of raw materials from regular sources shall not be an excuse for the Supplier for not performing its obligations under this clause.

24.4 Any waiver/extension of time in respect of the delivery/acceptance of any instalment or part of the goods shall not be deemed to be a waiver/extension of time in respect of the remaining deliveries.

24.5 If such inability to perform continues for a period of more than three (3) months, each party shall have the right to be released from further performance of the Contract, in which case, neither party shall have the right to claim damages from the other. All prior performance shall be subject to Contract terms.

24.6 Notwithstanding the provisions of GCC Clauses 22, 23, and 24, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of Force Majeure.

24.7 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

25 Termination for Insolvency

25.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, without compensation to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

26 Termination for Convenience

26.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

26.2 The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

- a. to have any portion completed and delivered at the Contract terms and prices; and/or
- b. to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Suppliers.

27 Resolution of Disputes

27.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

27.2 If, after twenty-eight (28) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified in the Special Conditions of Contract. These mechanisms may include, but are not restricted to, conciliation mediated by a third party, adjudication in an agreed national or international forum, and/or national and international arbitration.

28 Governing Language

28.1 The Contract shall be written in the language as specified in SCC. Subject to GCC Clause 29, the version of the Contract written in English language shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in the English language.

29 Applicable Law

29.1 The Contract shall be interpreted in accordance with the laws of the Solomon Islands unless otherwise specified in the Special Conditions of Contract.

30 Notices

30.1 Any notice given by one party to the other pursuant to the Contract shall be sent to the other party in writing or by facsimile and confirmed in writing to the other party's address specified for that purpose in the Special Conditions of Contract.

30.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

31 Taxes and Duties

31.1 A Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the destination. Unless exempted by the Tax authority of Solomon Islands, tax and duties may be exempted. In a case where supplier has no tax exemption, the Purchaser (National Hosting Authority) may exempt imported goods for the purpose of this contract only rectified by the list of goods to be supplied herein.

The Project Management Unit will establish a supply-chain process to each construction site as stated below:

- i. A Site Manager will be stationed on site to ensure all materials and works are certified.
- ii. Upon approval of required materials, PMU will send list of materials for each site and particular building to be code named and numbered
- iii. Purchase Orders and Delivery Dockets will be used for certification of orders and deliveries.
- iv. Payments of materials will be made direct to Supplier upon certification of site managers.

All materials are to be supplied to the site upon advice by the Project Management Unit, Schools will be notified prior to supplier delivery of materials upon PMU/NHA supervision.

3. Required Materials Specifications

Materials required shall be specific to hardware materials as stated in the BOQ provided. Suppliers to include specifications and unit rates at their own format. Any format can be accepted as long as specification and rates conform to the requirement.

The Suppliers during execution of the Contract shall supply these specified materials for all schools:

No	Name of Materials	Specifications
1	Electrical Materials	All electrical materials, fittings, cables and lightings etc as Specified as in BoQ in schedule of rates

The specified materials for electrical shall conform to the specifications and quantities as stated in the bills of quantities and schedule of rates.

The Supplier shall deliver to the schools and each building where materials are assigned and in accordance with the quantities.

SECTION V: SUPPLY AND DELIVERY REQUIREMENTS

As required in this Contract, the Supplier shall supply, and installed materials specified in seven Schools as specified below.

Approach to upgrade the schools has been decided and agreed in Piecemeal Contracts and supplies.

The schedule which includes pre-delivery inspections and final acceptance at the site (Schools) is designed to ensure risks are mitigated and the value for money achieved.

Supplies delivery to schools will be managed by Project Management Unit with Suppliers in accordance with this schedule.

1. Selected Schools for Games Villages

The following schools have been selected as part of the upgrade to accommodate Games Villages:

Category	Name of School	No of classroom for upgrade	No of dormitories for upgrade	No of Ablutions for upgrade	Dining halls or upgrade	Total
Secondary	St Joseph Tenaru NSS	14	7	2	?	21
TVET	Don Bosco Technical Institute	8		2		8
Secondary	King George Sixth School NSS	13	12	3	?	28
Tertiary	SINU-Panatina Campus		11		?	11
Tertiary	SINU Kukum Campus		5		?	5
Secondary	St Nicholas College	22		1	?	23
Tertiary	SINU-Marine School		2			2
Total number of buildings for upgrade for PG2023						98

The selected schools have been identified with different building needs required for upgrade, this includes dormitories, classrooms, and other related facilities deemed appropriate to meet required facilities for the Pacific Games 2023. This strategy means that the ownership and care shall be handed over to the school after the Games.

PMU Officers shall represent the NHA during the distribution period to the schools. The supplier shall not make any distribution without PMU Officers making pre-inspection and deliveries or proceeding with deliveries without PMU Officers present.
