Dear Sir/ Madam.

Subject: Reconsideration of Contracts and Catering Kiosk hiring fee.

We hereby submit this letter with regards to the above mentioned. We have signed the contracts with Games Organizing Committee (NHA). Our purpose is to provide food and drinks for the public at the venue which was stated in the contract, which was done with great lose. We would like to state the following.

- In the contract signed, Kiosk 1-5 were supposed to be built at the car park as stated in the signed contract agreement clause 1(1.1), and not in front of the multipurpose hall.
- As per advised during the briefing the keys to the Kiosks were to be issued to the Kiosk holders two (2) weeks prior to the games for preparation. But was given on the 16th November 2023, a day before games kick off at Lawson Tama.
- Popup tents were not provided so we provide/ built our own kitchen seeing the kiosks have no heat escape vents/ chimneys, making it unsafe for internal cooking.
- Kiosks 1-5 were not accessible to the public because the main gates were closed, as Multipurpose Hall were accessed only by VIP, GOC volunteers, securities and athletes who have been provided with meals.
- The turnout of the spectators were poor and there was huge lose on our side, food prepared went to waste.

On the 17th of November 2023, the first pool games for soccer were played on that day, our national men's team played that day and from experience whenever our national men's soccer team plays, Lawson Tama will be packed. Therefore, we have prepared a lot of food. I for one, prepared food that cost me almost three (3) thousand dollars, from finger food to heavy meals, with expectations of gaining double/ triple of the expenditure. To my regret the gates in front of the multipurpose hall were closed for public, only VIP, GOC volunteers, securities and athletes with passes are allowed to enter the premises. Those people are provided with three meals a day by GOC, how could they pay when they have been provided for???? The

food we prepared were wasted. Kiosks 1-5 suffered the consequences of GOCs lack of consideration on the site where the kiosks were built. Like wise for kiosks 6-10, the gate beside usp center and the walk way in front of the hillside stand was also closed. To access the kiosks, one had to climb the hill above the hillside stand to get to the kiosks which makes it difficult for spectators to get access to the kiosks easily.

Although popup tents were ejected behind the western end of the grandstand for kiosks 1-5, the gates behind the grandstand were maned and only people with passes can enter there due to VIPs in the center of the grand stand. This causes further loss on our side.

Furthermore, the turnout of the spectators were very poor in pool matches except for when the Solomon Islands men's national team played, from our losses so far we could only afford for few finger foods, water and drink's to sale on the remaining days. We have tried our best to provide the service required of us but due to NHA/GOCs incorrect projections on spectators at the sporting venue, wrong kiosk locations and the tight security protocols, we were not able to sale all food prepared meaning food is wasted again.

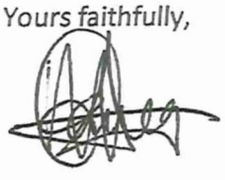

Finally, we have learnt that National Hosting Authority re-negotiated the SBD6.2 million for the supply of toilet paper when it realized that it was too much. National Hosting Authority also re-negotiated the contract with Kabara express from SBD8.50/ litre of shit to SBD400.00 per load when realized that it would cost millions of dollars. Given the circumstances, National Hosting Authority should be willing to re-negotiate the contracts we have signed and refund the kiosk hiring fee and our loss of business.

Our daily sales is less than SBD300.00 which shows that less than 20 people paid at our Kiosks daily. This shows the National Hosting Authority's projections on spectators at the sporting venues were wrong and not substantiated.

Given the November 2021 riots and the COVID 19 transmission in 2021, the economy has not recovered with no pragmatic and tangible activity envisioned to stimulate the local economy, the contracts we have signed means we are bound to loss and will lose.

Thank you and we look forward to your response.

Yours faithfully,

Mirriam Aupata
